

Certification Explained for the LINKS Program

I would like to become certified in the LINKS Program what do I need?

An Instructor's Certification Packet (ICP)

What do I need to teach the course after I am certified?

Participant workbooks to use when you teach the course

How do I go about getting certified?

- Order an ICP. ICP's include:
 - Lesson plans
 - PowerPoint
 - 1 Participant workbook with mini RAM
 - Large RAM board
 - DVD of Live presentation of Instructor Training
 - DVD of Live presentation of the PICK course
- After the training, take the online certification test
- Receive your instructor certification number & get access to the Instructor's section online

What does this cost?

- The Instructor Certification Packet cost is \$350.00. Discounted group rates are available please contact info@lovethinks.com.
- Workbooks are traditionally \$12.00 and are discounted to \$10.00 for Instructors.
- Christian LINKS workbooks are \$14.00 and \$12.00 for instructors

So I am certified, what can I do with it?

After you become an instructor of the LINKS course you have the ability to hold courses in any venue of your choosing. It is recommended that the participants of the course use the Participant workbooks when attending the course. As an instructor, you receive discounts on workbooks and, if you choose, you may sell these workbooks for a profit to your participants. If you choose, you also may charge a fee to attend your course.

Now that I am certified, do I get any perks?

After certification you have access to FREE materials online including:

- Colorful Power Point presentation
- Lesson supplements
- Additional population-specific lesson plans
- Video clip suggestions
- After certification, you receive discounts on all materials

What do you offer for specific populations?

For Church:

- Free Bible study lesson plans online
- C-PICK workbooks that provide application of the PICK material to verses and messages in the Bible

For Military:

- We offer military specific workbooks which include pictures of Army, Navy and Air Force personnel and these workbooks include specific pre and post deployment exercises

For Diverse Audiences:

- We offer the PICK material in Spanish & Mandarin versions
